Xerox® DocuMate® 4440
Fast and Versatile Scanning
Ideal for Healthcare & Insurance

- Scans Insurance and ID cards through ADF
- Scans documents at 40 ppm simplex, 80 ipm duplex*
- Visioneer OneTouch® scanning to multiple applications
- Kofax® VRS™ delivers perfect scans from imperfect originals
- Ultrasonic Double Feed Detection
- Create searchable PDF files

*200 dpi, b&w
**20 lb., 75-80 g/m² paper

The DocuMate® 4440 is the fastest and easiest to use scanner in its class that enables users with an effective way to greatly reduce paper chaos, storage requirements, and security risks associated with unorganized paperwork at home or the office. The DocuMate 4440 is packed with features that will change how you look at and manage paper documents and information.

Healthcare & Insurance Applications

The versatility of the DocuMate 4440 is an attractive solution for healthcare and insurance applications. ID and insurance cards, as well as paper documents, can be scanned through the automatic document feeder (ADF) which holds up to 50 pages**. Fast scanning speeds of 40 ppm and 80 ipm in duplex plus a 4,000 page/day duty cycle means this scanner will be a high productivity addition to your document capture workflow, ready for anything.
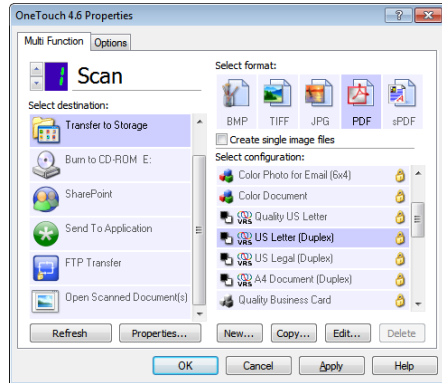

Manage the Chaos

Ultrasonic Double Feed Detection is built into the DocuMate 4440 so that you'll never miss a page due to a misfeed or a stapled document going through the scanner. Kofax VRS (VirtualReScan®) technology is integrated into the scanner driver so that you get perfect scans from imperfect originals. Kofax VRS also eliminates the need to rescan documents through automatic cropping, straightening, brightness control and edge clean-up. All this is integrated into Visioneer® OneTouch® so your entire scanning requirements are achieved at the touch of a button. In the end, paper becomes information and flows through the organization under your control.

Effortless Control

The DocuMate 4440 is powered by Visioneer OneTouch technology to scan documents instantly to one of 9 preset, yet completely configurable destinations. Visioneer OneTouch takes control of your document and scans it using the optimal settings for resolution, color, duplex, auto-crop, auto-straighten, file format and then delivers it to virtually any application, folder or device at the touch of a button! Working together with Kofax VRS technology, imagine the workflow possibilities of delivering perfect scanned paper documents in a searchable PDF format to email or Microsoft® SharePoint® or a custom web application for your enterprise, all at the touch of a button. Not only is this a productivity gain but greatly reduces the training requirements for scanner users, further helping your return on investment.

Xerox® DocuMate® 4440

Visioneer® OneTouch®

Visioneer OneTouch is an easy-to-use utility that connects the DocuMate scanner with a powerful set of scanner settings to greatly improve the efficiency of your workflow — so that with one touch, the document is scanned automatically to email, Microsoft® Word, your printer, or simply a file folder.

In addition to scanning directly to all popular destinations, Visioneer OneTouch also links the DocuMate 4440 with industry-leading document management software, such as Xerox® DocuShare®, Microsoft SharePoint®, and DocuWare® — forming an easy-to-use workflow from paper to a selected destination. A Software Development Kit (SDK) is also available which provides the ability to develop specific links and integrate them into the Visioneer OneTouch control panel quickly and easily.

Kofax® VirtualReScan technology

Visioneer OneTouch with Kofax® VRS™ technology is an integrated software solution that combines the ease of Visioneer OneTouch scanning with the superior image quality achieved with Kofax VRS. This award winning patented technology automatically insures the best possible image quality and OCR accuracy for scanned document images. As pages pass through the scanner, VRS performs a multipoint inspection of each document, instantly checking and adjusting alignment (skew), brightness, contrast and image clarity.

Nuance® PaperPort®

Millions of professionals rely on PaperPort to save time and money by transforming paper documents into searchable digital documents. PaperPort combines the efficiency of document management, the convenience of superbly scanned documents and the power of creating PDF files, to bring a new level of operational proficiency to your organization.

Text Searchable PDF

Transform volumes of paper or photos into organized digital files that can be quickly found, used and shared. In searchable PDF format, the user can instantly search documents for keywords or phrases. This provides additional archival benefits beyond traditional storage, and the widely accepted PDF format lets everyone view and print documents — on any computer.

Nuance OmniPage® Pro

OmniPage Pro provides a precise OCR and layout retention solution, quickly turning scanned documents into editable, formatted text. The text can then be used in virtually any word processing, desktop publishing or web publishing program.

Box Contents

- DocuMate 4440 Scanner
- Output/Input Trays
- Paper Guide Extension
- Spare ADF Pad Assembly
- Power Cords
- USB Cable
- Power Supply
- Quick Installation Guide
- Technical Support Card
- DVD-ROM including:
  - User's Manual
  - Kofax VRS
  - Nuance OmniPage Pro
  - Nuance PaperPort
  - Visioneer OneTouch with Kofax VRS technology
  - Scanner Drivers: TWAIN, EMC® Captiva® ISIS® and Microsoft Windows Image Acquisition (WIA) Driver

PC Minimum System Requirements

- Intel® Pentium® 4 or equivalent processor
- Windows 7 / Vista® / XP®
- 2GB RAM
- 350 MB available hard disk space
- CD/DVD-ROM drive
- USB port

Xerox® DocuMate 4440 Product Specifications	
Model Number	XDM44405M-WU
Model Number (VRS Pro)	XDM44405M-WU/VP
Scan Speed	40 ppm / 80 ipm: 200 dpi b&w, 150 dpi color 33 ppm / 66 ipm: 300 dpi b&w, gray, color
Scan Method	Dual CCD (Charge Coupled Device)
Optical Resolution	600 dpi
Output Bit Depth	24-bit color, 8-bit grayscale, 1-bit black & white
Interface	Hi-speed USB 2.0 (1.1 compatible)
Maximum Card Thickness	0.051" (1.3 mm)
Dimensions (paper trays extended)	11.6"(w) x 12.8"(d) x 15.7"(h) (295 x 325 x 400 mm)
Weight	8 lb (3.6 kg)
ADF Minimum Document Size	3.4" x 2" (86 x 51 mm)
ADF Maximum Document Size	8.5" x 38" (216 x 965 mm)
Document Weight	7-110 lbs (28*-400 g/m² paper)
ADF Capacity	50 pages (20 lb., 75-80 g/m² paper)
Duty Cycle	4,000 pages/day

*28g supports up to A6 paper size
